ACCOUNTING, TAX & KNOWLEDGE — ALL IN ONE PLACE

Running a business requires more than recording transactions.

You need accurate accounts, timely tax compliance, reliable financial information, and the knowledge to make better decisions.

Jbooks360 brings these essential services together.

We combine cloud accounting technology with professional accounting and tax expertise to help businesses maintain accurate records, meet statutory requirements, and improve financial management.

OUR SERVICES

Cloud Accounting & Bookkeeping

Keep Your Books Accurate and Up to Date

Our cloud accounting services help you maintain organized financial records and access reliable financial information whenever you need it.

From daily bookkeeping to monthly reporting, we take care of your accounting processes so you can focus on your business.

We can help with:

- Bookkeeping and ledger maintenance
- Journal entries
- Bank reconciliation
- Accounts receivable and payable
- Invoicing and payment recording
- Monthly financial statements
- Cash flow monitoring
- Payroll support
- EPF & ETF administration

Tax Advisory & Compliance

Stay Compliant. Plan With Confidence.

Tax compliance can be complex. Our professional support helps you understand your obligations, prepare accurate information, and manage your tax requirements effectively.

Our tax services include:

- Income Tax
- VAT
- SSCL
- Withholding Tax (WHT)
- RAMIS submissions
- Tax computations
- Corporate tax advisory
- Tax compliance reviews
- Tax assessment support
- Tax audit assistance
- Appeal and representation support

We focus on practical solutions that help businesses manage their tax responsibilities while making informed financial decisions.

WHY JBOOKS360?

More Than Accounting. More Than Tax.

Technology Driven

Powered by the software expertise of **JobAlign Software Solutions Pvt Ltd**, we use technology to make accounting and financial management more efficient.

Professional Expertise

We combine accounting, finance, taxation, and business knowledge to provide practical solutions for businesses.

Complete Financial Support

From daily bookkeeping to tax compliance and professional training, we support different stages of your financial management journey.

Practical Approach

We explain accounting and tax matters in clear business language and focus on solutions that can be applied in the real world.

Better Financial Visibility

Accurate records and timely reporting help you understand your business performance and make better decisions.

HOW WE HELP

01 — RECORD

Maintain accurate and organized financial records.

02 — REPORT

Understand your business performance through reliable financial reports.

03 — COMPLY

Manage your accounting and statutory tax responsibilities effectively.

04 — LEARN

Develop practical accounting and tax knowledge.

05 — GROW

Use better financial information to make stronger business decisions.

WHO WE SERVE

Jbooks360 supports businesses and professionals who want to improve their accounting, tax compliance, and financial knowledge.

Business Owners

Understand your numbers and manage your tax responsibilities with confidence.

SMEs & Growing Businesses

Build proper accounting systems and improve financial visibility as your business grows.

Accountants & Finance Teams

Strengthen technical knowledge and improve accounting and tax processes.

Corporate Organizations

Access professional accounting, tax advisory, and customized staff training.

Professionals & Entrepreneurs

Develop practical tax knowledge that can be applied directly to your work and business.

OUR APPROACH

Simple. Professional. Practical.

We believe accounting and taxation should not be unnecessarily complicated.

Our approach is built around three principles:

Accurate Information

Good decisions start with reliable financial information.

Practical Compliance

Compliance should be managed systematically and on time.

Continuous Knowledge

Businesses become stronger when their people understand finance and taxation.

ABOUT JBOOKS360

Empowering Businesses Through Technology, Expertise & Knowledge

Jbooks360 is an integrated accounting, tax advisory, compliance, and professional education platform powered by **JobAlign Software Solutions Pvt Ltd.**

We combine modern cloud technology with accounting and tax expertise to help businesses manage their finances more effectively.

Our purpose is to make accounting easier to manage, tax compliance easier to understand, and financial knowledge easier to access.

Our Mission

To empower businesses with smart accounting technology, professional tax support, and practical financial education.

Our Vision

To become a trusted platform for accounting, taxation, compliance, and financial education for modern businesses.

OUR VALUES

Accuracy

We maintain a strong focus on accurate financial information and compliance.

Transparency

We believe clients should clearly understand their financial and tax position.

Professionalism

We maintain professional standards in every service we provide.

Practicality

We focus on solutions that work in the real business environment.

Innovation

We use technology to improve traditional accounting and financial processes.

Continuous Learning

We encourage businesses and professionals to continuously develop their financial and tax knowledge.
